Former sanitarian, advisor arrested for child molesting

BY DANNY LEE
Staff Writer

A former Rushville resident who at one time served as the Rush County Sanitarian, and was a former Big Brother and adult advisor to the Boy Scouts, is free on \$5,000 bond after being arrested last Friday on child-molesting charges by RPD Det. Robert Bridges.

Rushville Police Chief Ron Cameron reported Monday that Michael R. Alter, 34, formerly of Rushville but listed by court records as residing at 3113 S. Tibbs Ave., Indianapolis, was arrested at the Indiana State Board of Health office in Indianapolis, Alter's place of employment. He allegedly molested an 11-year-old Rushville girl, and has been charged with a class C felony.

According to court records, the arrest came after the girl told her mother of the incident, occurring on November 16. The mother then notified Rush County Welfare Department caseworkers. Bridges

began his investigation after being notified by the Welfare Department workers.

Court records show that, in a video-taped interview on the day following the incident, the girl alleged that Alter, who was previously acquainted with the family, came to her home on Nov. 16 and said that a foreign exchange student had left a pair of boots at his house that might fit her.

According to the girl, Alter obtained permission from her mother to take her to see if the boots would fit. Alter allegedly took her to his former residence in Rushville. There, after failing to gain access to the house, he pulled his vehicle into the garage and molested her, the girl charged. She also reported that Alter used paper tissues to clean up afterwards, which he discarded in the garage.

The girl reported that Alter gave her a \$10 bill and a pair of boots, then drove her back to her home. Later she told her mother of the incident

and showed her the \$10 bill.

Bridges said in court records he then went to the residence of the girl and recovered several pieces of stained tissue paper from the garage, which he sent to the Indiana State Police Laboratory for analysis.

After conducting tests, the lab informed him that the stains on tissues tested positive for semen, negative for sperm. The lab also advised him that these test results would indicate that the sample was from someone who had undergone vasectomy.

Bridges reported that he was informed by a former co-worker, Alter's, that Alter had reported having a vasectomy in Dec., 1985.

Alter, Rush County Sanitarian from 1983 to 1986, is married, has two children, and has worked in the past with the Big Brothers organization, as well as serving as an adult advisor to area Boy Scout groups.

The initial hearing is scheduled for December 22 at 9:30 a.m.

Dear Don:

I really hate to keep bothering you, but I must have the Confidential Record Sheet so we may identify Mr. Alter should he attempt registration in some other location. I am enclosing another form for your use. We also would like to have a copy of a paper with his signature if this is available as this aids in the identification process.

In your last note, you indicated that Mr. Alter had pled guilty to two of the child molestation charges. This was in January so I assume sentencing has now occurred. Please send us a copy of the newspaper clipping or court record which would indicate the sentencing in this particular situation.

Thank you for your help in protecting the youth of America.

Sincerely,

Paul Ernst, Director

Dear Paul,

At last there is some sketchy information to share on Michael Alter who we reported on about a year ago.

The outcome of the legal action is still inconclusive. According to Detective Robert Bridges of the Rushville, Indiana Police Department, a change of venue was granted from Rush County to Shelby County.

- The cast is now in Shelby Circuit Court.
- Mr. Alter has pled guilty to two of the five child molestations.
- Sentence is pending.

I will be happy to share future information with you as it becomes available.

Sincerely,

Donald P. Smith

Dear Don:

Thank you for your letter of June 22 concerning the above-named individual. I am responding to you on two different letters about the two individuals for whom you sent information so that we keep our files separate as we begin to prepare for future refusal of registration attempts.

I am assuming that Mr. Alter is not presently registered with the Boy Scouts of America. If that were true, then we would not need to make any deletions from our files. If he is registered in some position at the present time, please let us know so that we may further check our records.

I am enclosing a Confidential Record Sheet which I would like to have completed so that we may identify Mr. Alter should he attempt to register in some other location. Please complete this to the best of your ability.

A copy of "Maintaining Standards of Leadership" is also enclosed for your use. There is a new edition being printed at the present time and when this is completed, a copy will be mailed to every local council.

We would like to know the outcome of the legal action which took place related to this situation. This is most important to us if we are to have a complete file and be able to refuse registration in the future. Please let us know if you can provide this material to us.
